

Rhythm Master – Seasonal Rules & Rewards

Season Structure

Each Rhythm Master season runs for a fixed competitive period followed by an off-season reset. This structure ensures fair competition, fresh leaderboards, and consistent reward distribution.

- Season Length: **6 weeks**
- Break Between Seasons: **2 weeks**
- Templates Per Season: **4 NFT Track Template IDs**

Gameplay Requirements

To qualify for seasonal rankings, players must participate using all designated NFT track templates. Scores are recorded per template and aggregated for overall ranking.

- Players must own or access the required NFT templates
- Scores are tracked per template and per user
- Cheating or exploit abuse results in disqualification

Leaderboard Categories

- Template Leaderboards (Top 3 per template)
- Overall Season Leaderboard (Best combined score)

Reward Distribution

Rewards are distributed after the season concludes and leaderboards are finalized. All rewards are paid during the off-season window.

- Template 1st Place: 10,000–20,000 SSN + 1,000–2,000 WAX
- Template 2nd Place: 5,000–10,000 SSN + 500–1,000 WAX
- Template 3rd Place: 2,500–5,000 SSN + 250–500 WAX
- Overall Champion: 50,000–100,000 SSN + 5,000–10,000 WAX + Special NFT

Season Pass

A Season Pass NFT is required to participate in seasonal competition unless the player is an admin. The Season Pass provides access to all seasonal templates and reward eligibility.

- Recommended Price: 500–5,000 WAX
- Admin Wallets bypass pass requirements

Disputes & Enforcement

All decisions regarding leaderboard validity, cheating, or abuse are final. The Sublime Sounds team reserves the right to modify rules between seasons.
